Financing Your Home Expansion

A homeowner's guide to paying for bigger plumbing jobs

Every job at RightFlush still gets the same flat-rate quote up front. Financing just changes how you pay for it -- not what it costs.

YOUR THREE OPTIONS

0% FOR 12 MONTHS

No interest if paid within 12 months. Best for a defined-scope job like a full bathroom renovation.

LOW MONTHLY PAYMENT

Spread the cost over 24-60 months. Lower payment, fixed rate, no surprises on the schedule.

PAY IN FULL

Standard discount applied for jobs paid in full at completion. No financing paperwork.
